Public Workshop to Address the Effects of Climate Change on Water Quality in the Central Valley

For Immediate Release
March 11, 2015

Contact: Miryam Barajas
(916) 341-5263

What: The Central Valley Regional Water Quality Control Board (Central Valley Water Board) will be conducting a one-day workshop at 9 a.m. March 12 on the effects of climate change on water quality in the Central Valley region, and will be discussing potential policy and regulatory responses.

The [workshop](#) will consist of several moderated discussions to assess:

- 1) Impacts of climate change in the Central Valley.
- 2) Policy responses of other government entities.
- 3) The needs and concerns of stakeholders in the Valley.

The workshop will be the first step in the development of a Climate Change Work Plan for the Central Valley Water Board.

Where: Sierra Room (2nd floor), CalEPA building 1001 I St., Sacramento CA 95814

A live webcast of the meeting can be seen here: <http://www.calepa.ca.gov/Broadcast/>

When: 9 a.m., March 12.

More Information: Board Agenda can be found here:
